February Shoot Notes

Well we made it thru February with some pretty good weather considering the winter we've had. We learned at the last shoot, that the conservation club is going to be under new management. We've already met with them, and our schedule is good with them. I think it will work out good for the ITBA. I'm sure they will need our help for work parties so everyone keep this in mind and be ready to help out. We had 80 total shooters for the two February shoots.

February 5th Shoot
