July Shoot Notes

Well, we've almost survived the hottest summer on record. That kind of heat makes it awful tuff on an old man. Of course I'm speaking for Mr. Cowles.

Last shoot we had 42 shooters that braved the heat. The forecast for this Saturday looks like we might get a break.

August is the time we should be perfecting our hunting setups. Practice sessions should be conducted every day. What better way than a good 3-D. Remember frosty mornings are right around the corner.

RECURVE	Longbow
Billy Ashby 335	Steve Redden 313
Larry Morgan 325	Tim Hamblen 283
Mike Hebner 308	Ron McDonald 263

Here it is already, the deer classic. In just a couple weeks it will be for real. The Kentucky gentlemen are already hunting. I hope they take a morning off to make our final shoot of 2010. Once again we will have a free chicken dinner and encourage anyone that can to bring a side dish. Dave will have a short meeting and give out awards.
